(1) Introduction to the Council Tax Reduction Scheme

- 1.1 The following has been adopted by the Council and details the Council Tax Reduction scheme adopted by the authority for the period 1st April 2025 until 31st March 2026.
- 1.2 This document details how the scheme will operate for both pension credit age and working age applicants and in accordance with Section 13A of the Local Government Finance Act 1992 specifies the classes of person who are to be entitled to a reduction under the scheme and is effective from 1st April 2014 for a period of one financial year.
- 1.3 The scheme in respect of pension age applicants is defined by Central Government within the:
 - Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012;
 - Council Tax Reduction Schemes (Prescribed Requirements and Default Scheme) (England) (Amendment) Regulations 2012;
 - Council Tax Reduction Schemes (Transitional Provision) (England) Regulations 2013;
 - Council Tax Reduction Schemes (Detection of Fraud and Enforcement) (England) Regulations 2013; and
 - Local Government Finance Act 1992 (as amended by the Local Government Finance Act 2012)

The Council has **no** discretion in relation to the calculation of Council Tax Reduction in respect of the pension age scheme.

The scheme for pension age applicants - Central Government's scheme as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012 as amended.

- 1.4 There are three main classes under the prescribed pension age scheme, for each of which there are several qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain.

The definition of a pension age person, referred to as a "pensioner" in this scheme, is a person who;

- (a) has attained the qualifying age for state pension credit; and
- (b) he is not and, if he has a partner, his partner is not;
 - i. a person on income support, on an income-based jobseeker's allowance or on an income-related employment and support allowance; or
 - ii. a person with an award of universal credit

An award of universal credit is to be disregarded—

- (a) during the relevant period; or
- (b) where regulation 60A of the Universal Credit (Transitional Provisions) Regulations 2014 applies in respect of the award.

In this paragraph—

"assessment period" has the same meaning as in the Universal Credit Regulations 2013;

“relevant period” means the period beginning with the day on which P and each partner of P has attained the qualifying age for state pension credit and ending with the day on which the last assessment period for universal credit ends.

The three prescribed classes are as follows;

Class A: pensioners whose income is less than the applicable amount

On any day Class A consists of any person who is a pensioner:

- (a) who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- (b) who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;
- (c) who does not fall within a class of persons prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority’s scheme;
- (d) whose income (if any) for the relevant week does not exceed his applicable amount calculated in accordance with paragraph 9 and Schedule 2 of the Local Government Finance Act 1992;
- (e) not have capital savings above £16,000; and
- (f) who has made an application for a reduction under the authority’s scheme.

- (c) who does not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority’s scheme;
- (d) whose income for the relevant week is greater than his applicable amount calculated in accordance with paragraph 9 and Schedule 2 to the Local Government Finance Act 1992;

- (a) who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- (b) who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;

- (d) who has made an application for a reduction under the authority's scheme; and
- (e) in relation to whom the condition below is met.

The condition referred to in sub-paragraph e. is that no other resident of the dwelling is liable to pay rent to the applicant in respect of the dwelling and there is an alternative maximum Council Tax Reduction in respect of the day in the case of that person which is derived from the income, or aggregate income, of one or more residents to whom this sub-paragraph applies.

sons who, in accordance with Schedule 1 to the 1992 Act, fall to be disregarded for the purposes of discount.

(52A) Diminishing notional capital rule - General

The Council has determined that calculations shall be made in accordance with the following provisions of the scheme, where the applicant is treated as possessing notional capital as defined within paragraph 52.

(53) Diminishing notional capital rule.

(1) Where an applicant is treated as possessing capital under paragraph 52(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction in council tax under this scheme; and

(b) but for paragraph 52(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);

- (c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);
 - (d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and
 - (e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
- (4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 52(1).
- (5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—
- (a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 52(1);
 - (b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
 - (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or
 - (ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;
 - (c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;
 - (d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and
 - (e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
- (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words ““relevant week”” there were substituted the words ““relevant subsequent week””; and
- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

- (a) a further application is made 26 or more weeks after—
 - (i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 52(1);
 - (ii) in a case where there has been at least one re-determination in accordance with sub-paragraph (7), the date on which he last made an application under this scheme which resulted in the weekly amount being re-determined, or
 - (iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and
- (b) the applicant would have been entitled to a reduction under this scheme but for paragraph 52(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph— “part-week”

- (a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;
- (b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;
- (c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—
 - (i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and
 - (ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 52(1)—

- (a) was first taken into account for the purpose of determining his entitlement to a reduction;
- or

(b) was taken into account on a subsequent occasion for the purpose of determining or redetermining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction, and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.
