<p>I object to the inclusion of land in Smock Alley being made available for development, as shown in Policy H2b (Pages 29 and 30 of the Neighbourhood Plan).</p> <p>I do not believe that the proposal for development was ever in the original Neighbourhood Plan, or that there was any public consultation before this change of policy was implemented.</p> <p>The land is in fact in the Separation Zone/Local Gap as shown in the Map B on page 60 of the Plan. Additionally, previous Planning Applications to build on this land have been deemed unsustainable and have been rejected by Horsham District Council Planning Department on several previous occasions. There are a multitude of reasons for deleting this proposal from the plan viz:</p> <ol style="list-style-type: none">1. Disruption and loss of wildlife. The land is certainly home to [REDACTED], which would be severely and detrimentally affected.2. There is a lack of public transport, so any new housing would automatically increase the volume of traffic using the very narrow, and in places, single lane carriageways.3. Increased traffic would affect the safety of pedestrians and dog walkers, as there are no pavements or street lighting.4. The lack of public amenities would make any development unsustainable, and also possibly increase demand for school places at the local school5. As already stated, the site is within the current Separation Zone, and any development would be out of character

What improvements or modifications would you suggest?

Delete proposed development of land in Smock Alley.

(Continue on separate sheet if necessary)
